20th October 2009

Dear Chris,

It is with great pleasure that I write to confirm Saab Seaeeye's endorsement of Subsea Vision's technical training courses for the Seaeeye Tiger, Lynx, Cougar and Panther ROV systems as complimentary to Seaeeye's own detailed technical training programs.

This endorsement is made following our first hand experience of your courses and the success of the customer training courses you have conducted on our behalf to date.

Yours sincerely,
